Have a comment about the newsletter, website, or anything in general? Send us an e-mail at comments@proexp.com. We want to know. Don't forget that all of our rental pricing is available online at www.proexp.com as well as our online store and much, much more

PACKING FOR THE FAIR

It's that time of year again. PE is packing boxes and loading trucks for its second run at the York Fair. Some of our most recent additions to our inventory will be on display. Our new 30' x 30' roof system will be covering the Anchors Aweigh Stage which will feature the United States Navy Ensemble, the Cruisers. Our other

highlight will be our new JBL VRX series speakers providing front fill on the main stage. The Grandstand stage which will feature such artists as Kelly Clarkson, Trace Adkins, Alice Cooper and many more. For a complete schedule of the York Fair go to www.yorkfair.com. Hope to see you there.

PARTY IN THE STREET

When someone called us and said "I want to have a 70's party in the middle of the street" we said OK. A neighborhood party in Harrisburg featured our new 12' diameter circle truss on ground support as well as the MF3 LED wash fixture from Mainlight. Need ideas for your next event, check out the photos in the picture section of our web site.

NEW GEAR...SAY WHAT?

PE now has 6 Sennheiser ew300IEM G2 in ear wireless monitor units in our rental department. Want to bring down the stage volume? This is the way to go. Call for availability and pricing.

NEW DEALERSHIP

We are proud to announce that we are now a full line LEX Products dealer. LEX is a power distribution manufacturer dealing in PD's, cable sets and bulk wire products. Check out their full line of products at www.lexproducts.com. See something you like, give us a call. We will be adding their products to our web store soon.
