CAP LIVE SERIES

We are pleased to announce that PE is now a part sponsor of the CapLive music series at the Capitol Theatre in downtown York. The series started last year to bring new regional and national bands to the York area with the hope of making York a hot spot for regional and national bands. PE will be using our new JBL VRX series powered speakers for most of the concerts. For more information and tickets go to www.strandcapitol.org. Help support downtown York and the arts.

JEFF DUNHAM - A HIT IN YORK

The biggest show of the week was the sell out performance by Jeff Dunham. 11,000 + attendees were on hand for the 2 hours of nonstop laughter. The second year for PE at the fair was yet again a successful one, even with the challenge of rain and winds. Pictures will be posted on the website soon.

NEW ITEM

PE now has a Clear Acrylic and Aluminum Anodized Podium. The podium has an overall height of 48" and can be rented with or without a microphone package. The Podium also has a slot for an interchangeable logo insert allowing you to change its overall look. Check the lighting rental section of our website for pricing.
