AMT BRIGHTENS THEIR SHOW!

In February, the American Music Theatre reached a deal to rent 8 Martin Mac 700 Profiles and 8 Martin Mac 600E NT's from Production Express for a one year run. The theatre wanted to take lighting for their shows to a new level and with more intensity. As part of the deal, at the end of the year, AMT will own the Mac 600s and will add them to their already significantly sized inventory of 28 moving lights. Congrats to AMT and stay tuned for more info on this soon.
